Superintendent's Highlights

Our special needs pre-school has grown to 29 students. Service to these children has been exceptional.

Student performance on IOWA and other tests continue to be exceptionally high, scoring in the upper third in many areas. Enrollment continues to decline.

Student/Teacher ratios are at an all time low at all levels.

Newly opened facilities are contributing immensely to the quality of our music and performing arts program.

Teacher and classified staff compensation programs are much improved.
